Call for Partners

Thursday, December 12, 2019 | Nineteenth Century Club, Oak Park, IL

“All the speakers spoke to my HEART”

2018 TEDxOakParkWomen Attendee

THE DAY, OUR GOALS, OUR VISION

TEDxOakParkWomen will take place on Thursday, December 12, 2019 at The Nineteenth Century Club in Oak Park.

Imagine fascinating and engaging presenters, artists, thinkers, and change-makers coming together for one day to share their ideas, their passions, and discuss their visions for the word, all with an underlying theme.

TEDxOakParkWomen will foster the spread and application of great ideas around the National TEDWomen 2019 theme of *BOLD + BRILLIANT — without apology!*

We are committed to creating an event where participants, speakers, and attendees are challenged to communicate their passions in an exciting and engaging dialogue.

Our goal for **TEDxOakParkWomen** is that every person — from the speakers to the attendees, from our partners to our volunteers — gets to feel the incredible energy and excitement surrounding “ideas worth spreading.”

MORE WAYS TO ENGAGE WITH TEDx

The organizers of **TEDxOakParkWomen** are launching a new event this year, **TEDxOakParkSalon**. TEDxOakParkSalon will welcome an intimate audience for an evening of highly-curated TEDx Talks revolving around a relevant theme. A condensed version of a TEDx event, they are distinct in their brevity, opportunities for conversation, and heightened interaction between the speaker and audience.

Upcoming Salon dates:

Tuesday, June 18th

Tuesday, September 24th

Tuesday, January 7th
